

Alastair Kelly

- Qualified as a Chartered Building Surveyor in 1983 and has worked in commercial construction and property matters with Bell Ingram, Webster & Co., J. Trevor and Webster, Gooch Webster and Colliers CRE. Appointed as a Director in 1990 and acted as UK Head of Building Consultancy until leaving to set up his own independent consultancy in 2005, specialising in mediation, project management, expert witness work and development monitoring.
- Member of the Chartered Institute of Arbitrators, Institute of Directors, Association of Consultant Building Surveyors, and Fellow of the Association of Building Engineers.
- Accredited as mediator by Core Mediation in 2003 and member of Core's panel of mediators, specialising in construction, property, and oil and gas related matters.
- Participated in a number of mediations across a range of sectors:
 - Construction
 - Property
 - Oil and Gas
 - Professional Negligence
 - Employment
 - Commercial Contracts
